1. Create Weekly Thematic Lesson Plans

Sample Prompt:

Create a 1-week kindergarten lesson plan centered around the theme 'Rainforest Animals.' Include daily objectives, books to read, hands-on activities, and a simple assessment idea for Friday. (See the video with the expanded use of this technique: "Thematic Units for Kindergarten" at <https://YouTube.com/@edainow>)

2. Generate Age-Appropriate Stories

Sample Prompt:

Write a short, original story for kindergarten students about a brave turtle who learns to swim. Use simple sentences and include opportunities for group discussion.

3. Design Visual Schedules

Sample Prompt:

Create a daily visual schedule for a kindergarten classroom that includes arrival, circle time, centers, recess, lunch, and dismissal.

4. Create Center Activity Instructions

Sample Prompt:

Generate a student-friendly instruction card for a math center where students count objects and match them to the correct numeral.

5. Develop Behavior Charts or Tools

Sample Prompt:

Create a simple behavior chart using three levels: Green (Ready to Learn), Yellow (Reminder), and Red (Take a Break). Explain it in terms kids can understand.

6. Differentiate a Reading Activity

Sample Prompt:

Differentiate a read-aloud activity for 'The Very Hungry Caterpillar' for students at three different developmental levels.

7. Draft Family Newsletters

Sample Prompt:

Write a short weekly classroom newsletter for kindergarten parents that includes: our learning focus, a reminder about library day, and a tip for helping with letter sounds at home.

8. Simplify Vocabulary for ELLs

Sample Prompt:

Provide a simplified vocabulary list and child-friendly definitions for the theme 'community helpers.' Include pictures if possible.

9. Create Simple Rhyming Poems

Sample Prompt:

Write a four-line rhyming poem about a snowman, using words kindergartners can read or decode.

10. Make Sub Plans

Sample Prompt:

Create a one-day emergency sub plan for a kindergarten classroom focused on the letter 'S'. Include a read-aloud suggestion, art project, and transition tips.

11. Brainstorm Class Rules with Kind Language

Sample Prompt:

Suggest five positively worded classroom rules appropriate for kindergarten that emphasize kindness, listening, and safety.

12. Develop Morning Message Starters

Sample Prompt:

Generate five sample 'morning message' sentences for a kindergarten classroom, aligned with early literacy goals and current season (e.g., winter).

13. Create Phonemic Awareness Games

Sample Prompt:

Give me three fun, low-prep activities to help kindergarteners practice beginning sounds (e.g., /b/, /c/, /m/).

14. Generate Assessment Checklists

Sample Prompt:

Create a simple checklist for assessing kindergarten students' ability to recognize and name upper- and lowercase letters.

15. Summarize Classroom Observation Notes

Sample Prompt:

Summarize these observation notes into a paragraph for a student's progress report: [Insert raw notes here].

16. Translate Parent Communication

Sample Prompt:

Translate this note to Spanish for a kindergarten parent: 'Your child had a great day! They helped a friend during center time and listened well during story time.'

17. Make Movement Break Ideas

Sample Prompt:

List five quick movement break ideas for a kindergarten classroom that last 3 minutes and require no equipment.

18. Generate Songs or Chants

Sample Prompt:

Write a simple chant for kindergartners to help them remember how to line up quietly.

19. Suggest Books Based on Themes

Sample Prompt:

List five picture books appropriate for kindergarten students that fit a theme of 'friendship.' Include title and author.

20. Customize Name Practice Sheets

Sample Prompt:

Create a printable practice sheet for the name 'Sophia' with dotted letters for tracing, a place to color the first letter, and lines to write the name three times.

About EdAINow

EdAINow empowers educators to use AI efficiently, effectively, and ethically. With more than 30 years of experience in education leadership and instructional design, we offer professional development, coaching, and consultation tailored to teachers, school leaders, and education stakeholders.

Our custom training sessions include:

- AI for K–12 Teachers
- AI for Elementary Teachers
- AI for Special Education Teachers
- AI for Reading Instruction
- AI for Instructional Leaders and Principals
- Role- and Subject-Area Training in AI

Policy support, too! AI Policy Development for Schools and Boards
